Marketing & Growth Strategist | SEO, Content & Paid Media | AI-Driven Marketing Systems

Addis Ababa, Ethiopia · Experience across Estonia, the UK, Italy & Ethiopia · Open to roles locally and internationally

PROFESSIONAL SUMMARY

Marketing and growth strategist with 5+ years building the SEO, content, paid, and AI systems that grow businesses across Estonia, the UK, Italy, and Ethiopia. Grew a multi-product SaaS portfolio to roughly \$22K in monthly recurring revenue, lifted client lead generation by up to 300%, and ranked a UK client top-three on Google for 14 target keywords in nine months. Builds AI-driven marketing systems that cut execution time by roughly 70%. Strategy-led and hands-on across every layer, from research and positioning to shipped systems.

WORK EXPERIENCE

Digital Marketing Manager & Growth Strategist

Jul 2025 – Present

Pairing · Estonia, Part-time

- Grew a multi-product SaaS portfolio (StatsAware, CribCRM, and more) to roughly \$22K in monthly recurring revenue, from near zero
- Landed a €10,000 upfront enterprise deal that brought in 30+ sub-clients
- Built an automated pipeline that sources and auto-qualifies 1,000+ leads a day, and ran cold-email sequences at a 23% open rate and 6% reply rate (Instantly, HubSpot)
- Built AI-driven workflows and internal tools (n8n, LLM automation) that cut campaign execution time by roughly 70%
- Own product marketing, landing pages, content, and onboarding across the portfolio, partnering directly with founders on GTM strategy

Marketing Director

Feb 2025 – Present

Eagle Eye Business Group · Part-time

- Lifted client lead generation by roughly 300% for a real-estate client through funnel and campaign rebuilds
- Co-built and launched a CarCare roadside-assistance service, reaching 12 to 20 daily customers within the first month
- Directed multi-channel campaigns across paid social, search, and TV, managing a cross-functional creative team of 5 to 7

Marketing Manager

Apr 2024 – Jan 2025

Skylink Technologies · Part-time

- Led the proposals and executive presentations behind the Dire Dawa Smart City initiative, helping secure roughly 100M ETB in project work

- Closed private-sector accounts through targeted outreach, proposals, and lead generation
- Developed go-to-market strategy and messaging for 30+ enterprise software products

Search Engine Optimization Manager

Mar 2023 – Aug 2024

Recognise Design · UK, Remote

- Ranked a UK client (Electric Car Chargers UK) in the top 3 Google results for 14 target keywords within 9 months by targeting lower-competition verticals
- Increased client sales by roughly 70% through SEO-driven strategy, and cleaned up a toxic backlink profile
- Rewrote site content and fixed technical SEO (internal linking, metadata, architecture) for sustained organic growth

MarTech & Web Lead

Sep 2023 – Sep 2025

Society Communications & Marketing · Part-time

- Delivered SEO-integrated website and funnel builds across 7+ industries (real estate, FMCG, manufacturing), lifting average client visibility by roughly 140%
- Designed and shipped conversion-optimized lead and eCommerce funnels on WordPress, OpenCart, Joomla, and Wix
- Instrumented performance dashboards, conversion tracking, and experimentation workflows for data-driven client campaigns

Head of Marketing

Oct 2022 – Mar 2024

JakTech Engineering & Trading PLC

- Scaled a B2B product from 100 to 500 customers within 1 year
- Contributed to roughly 60% of high-value client acquisition through marketing and direct sales
- Grew an in-house product's social media to 40,000 followers in 2 months on a \$300 budget
- Managed campaigns for in-house SaaS and ERP products; collaborated with stakeholders including GIZ, Sequa, and Menschen für Menschen

Freelance Web Developer & Designer

Oct 2022 – Mar 2024

Self-employed

- Built and shipped 30+ websites across freelance and company engagements on WordPress, Payload, WooCommerce, and hand-coded custom development (HTML, CSS, JavaScript)
- Delivered graphic design and video editing for brand, product, and campaign work on the side

PROJECTS

- **Self-built marketing systems:** build AI-driven internal tools, including a 12-source job-application tracker with AI scoring, plus n8n and LLM automations that cut execution time by roughly 70%
- **SEO client work:** delivered SEO and content strategies for Addis Finders Trading and Ayat Real Estate, lifting organic traffic 300% and 30% respectively
- **Digital marketing training:** trained 50+ students in digital marketing with a 35–45% job placement rate

EDUCATION

BSc, Information Systems

Addis Ababa University · 2022

CERTIFICATIONS

HubSpot Inbound Marketing · HubSpot SEO · HubSpot Full Funnel · Digital Marketing Certification
